List of Appendices and Tables	i
List of Figures	iii
Executive Summary	v
Introduction, Study Rationale and Methods	1
Vegetation	12
Arthropods	39
Reptiles and Amphibians	64
Birds	77
Mammals	127
Conclusion, Ecological Issues and Recommendations	142

LIST OF APPENDICES AND TABLES

Page

Vegetation

Appendix 1. Plant Associations and Habitat Explanations 29

Appendix 2. Checklist of the Vascular Plants of the Baldwin Hills 31

Appendix 3. Checklist of Selected Landscape Plants 37

Arthropods

Table 1. Collecting Schedule in the KHSRA 42

Appendix 1. Butterfly (Lepidoptera) species observed in the Baldwin Hills and Ballona Wetlands 51

Appendix 2. Moth (Lepidoptera) species observed in the Baldwin Hills and Ballona Wetlands 54

Appendix 3. Beetle (Coleoptera) species observed in the Baldwin Hills.56

Appendix 4. Ant, bee and wasp (Hymenoptera) species observed in the Baldwin Hills 58

Appendix 5. Arachnids (spiders and related groups) observed in the Baldwin Hills 59

Appendix 6. Large non-focal arthropods encountered in the Baldwin Hills 61

List of Appendices and Tables, con't.

Page

Reptiles and Amphibians

Table 1. The Herpetofauna of the Baldwin Hills, Los Angeles County, California 67

Table 2. The Herpetofauna of the Ballona Region, Los Angeles, County, California 72

Birds

Table 1. Number of Cactus Wrens from the Baldwin Hills area during the Los Angeles Christmas Bird Counts 1950-1999 104

Appendix 1. Checklist of the Birds of the Baldwin Hills, Los Angeles County, California 117

Mammals

Table 1. Checklist of the Mammals of the Baldwin Hills 131
