

NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

In accordance with Section 15072 of the California Environmental Quality Act (CEQA) Guidelines, this notice is to inform the general public that the Baldwin Hills Regional Conservation Authority (BHRCA) has completed an Initial Study and Mitigated Negative Declaration (IS/MND) for Segment C of the Park to Playa Trail project and intends to adopt the Mitigated Negative Declaration for the project.

Project Title: **SEGMENT C OF THE PARK TO PLAYA TRAIL**

Project Location: **East and West of La Cienega Boulevard in Blair Hills in the Cities of Culver City and Los Angeles**

Project Description: The BHRCA is proposing a new trail on its property to connect the Baldwin Hills Scenic Overlook to the Kenneth Hahn State Recreation Area (KHSRA). The trail would include installation of native landscaping, fencing, gates, signage, stairway, and a new trail from parking lot at the Baldwin Hills Scenic Overlook; through BHRCA-owned property (adjacent to the future Stoneview Nature Center), and connecting with a pedestrian bridge over La Cienega Boulevard to the Kenneth Hahn State Recreation Area (KHSRA)..

Findings: Segment C of the Park to Playa Trail would result in potentially significant impacts but compliance with regulatory requirements and the implementation of mitigation measures would reduce all potentially significant adverse impacts to less than significant levels.

Comment Period: **November 23, 2015 to January 22, 2016**
